Barkman Arena Fitness Center Contract

I, _____, hereby accept to adhere to the rules and regulations outlined in the **Barkman Arena Code of Conduct**, as well as any revisions made to the code during my membership.

When using any of the facilities, I agree to wear appropriate athletic gear. Regarding the Fitness Center, this includes non-marking shoes that have only been worn indoors and workout clothes that adhere to the Briercrest dress code. I will also abstain from the use of chalk and will not bring any into the facility. Out of respect for other members, I also commit to returning weights to their appropriate racks and will not lift more than I can handle--that is, I will not drop weights, as I am aware that doing so causes damage to dressing rooms beneath the Fitness Center, including (but not limited to) light fixtures. I understand that any form of vandalism, including the modification and/or removal of posted signage, or disregard for the grounds and/or equipment, will result in the cancellation of my membership without refund. If I am caught letting anyone with suspended privileges into the Fitness Center, I waive both my own privileges and the right to appeal their suspension.

While using the ice, I agree to conduct myself in a manner that is respectful of others and not to engage in any behavior that could harm me or other members. I agree to only use the ice during Member Free Skate times, which may change without notice due to internal and external bookings.

I understand that I am to leave all personal items (bags, coats, shoes, etc.) in designated areas, which include the benches next to the Fitness Center stairs and dressing rooms (posted on the bulletin board in the lobby).

For safety reasons, I also agree to keep the doors to the Fitness Center closed at all times. I understand that my failure to do so may result in children gaining access to the Fitness Centre and injuring themselves. As indicated above, if my access card is used for any prohibited activity, I authorize the immediate and permanent cancellation of my membership. I also understand that the access card is the property of the Barkman Arena and that I am responsible to return it when the card expires. There is a \$10 deposit required for all staff/faculty, Seminary students and community members for the access card, whereas Briercrest College and CHS students are not charged a deposit. Each Briercrest College and CHS student will receive one complimentary card while a student at Briercrest. For staff/faculty, Seminary students or community members, failure to return the card will result in the deposit being retained. If a card is lost or stolen, a new card may be issued to the member at a personal cost of \$10.

I also understand that as Briercrest is an institution, there may be a maximum of 30 days throughout the year during which my access to the Fitness Center will be restricted (i.e. during Clipper games, ice bookings, etc.).
